A Year of Memories

PORTRAYED IN THIS 1956

Oceanian

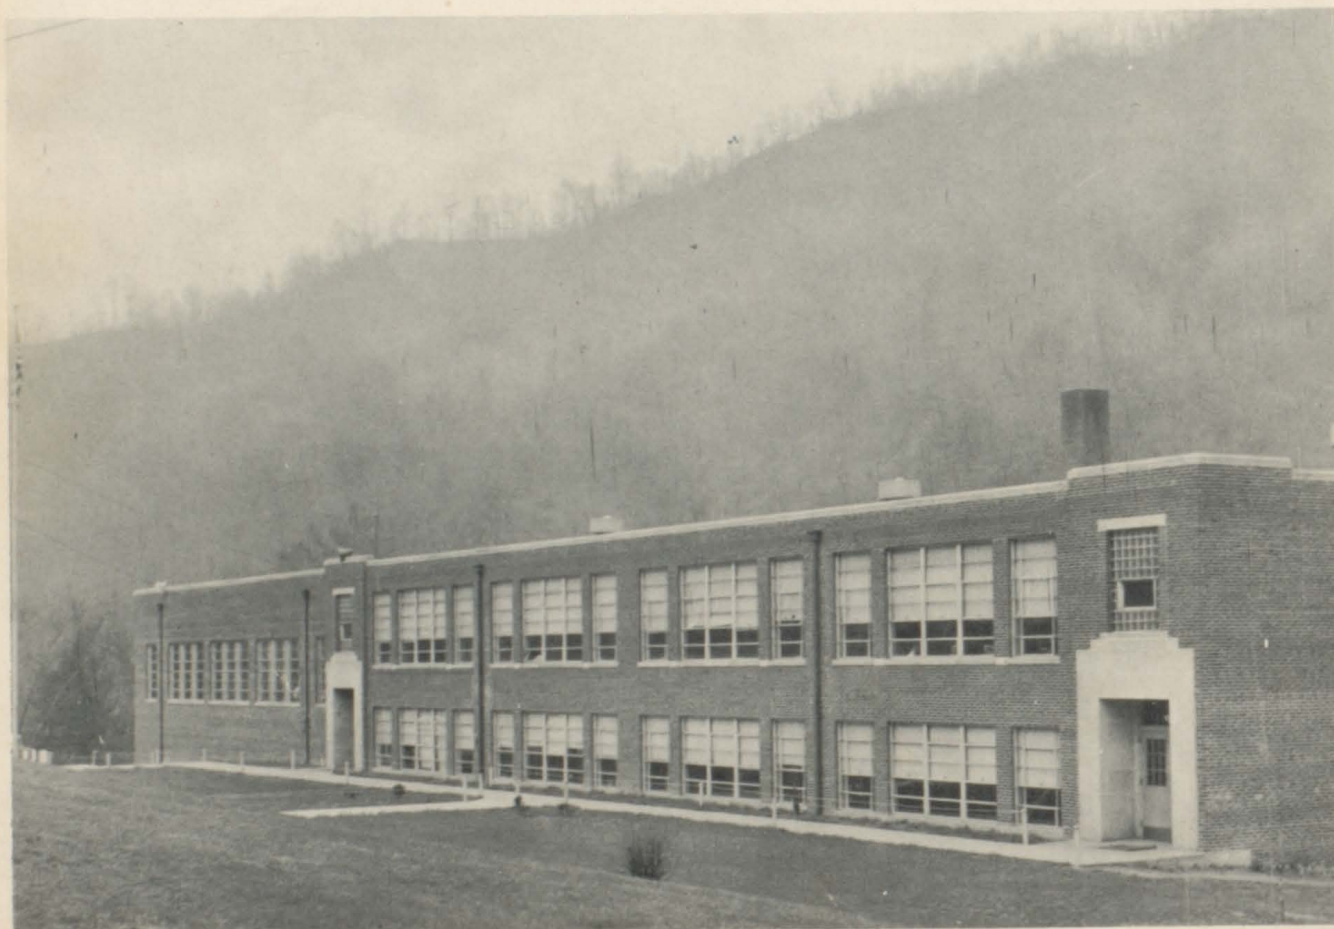

FOREWORD

The 1956 yearbook staff has tried to make this year's edition of the *Oceanian* the "best yet." We don't claim to have made the 1956 yearbook the best, but we have worked hard to reach that goal. We have tried to preserve through pictures the many memories of the past years for the later years in life when we look back with fond thoughts of Oceana High.

As you look through the pages of this book, it is our hope that you will find your high school days all summed up in the 1956 Oceanian.

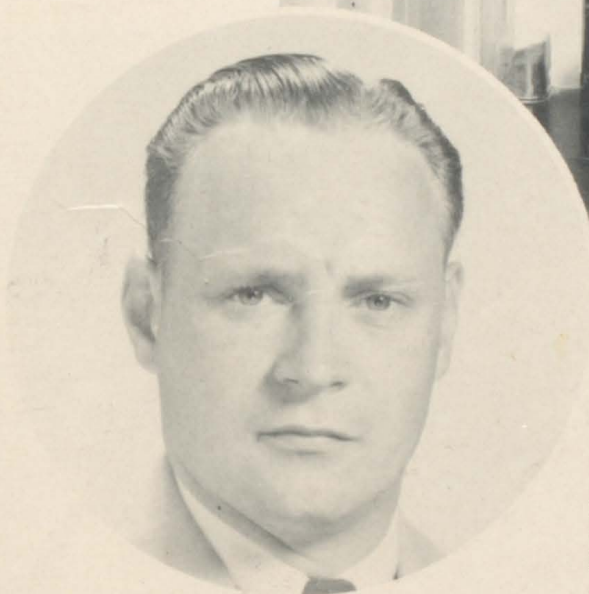

P. T. A. Officers

Mr. Arl Yost, Mrs. Ed Hager, Mrs. Earnest Lusk.

WE DEDICATE *to...*

Mr. Jack Christian, the 1956 Oceanian, for your constant efforts to improve Oceana High School, your high ideals of citizenship and service, your progressive leadership, your patience and understanding, your faith in youth and tolerance for our shortcomings.
